has ever been found battling for the living principles of the Democratic party. at have yielded a cordial and hearty support to our present State Government. We discuss all sues from a strictly democratic standpoint, independent any clique or ring.

corruption of the party now controlling the affairs of the General Government, and favors an early restoration of the same into the care and guidance of competent and honest officials—the true representatives of the people. It also favors the most rigid economy in the administration of the affairs of Government, both State and Federal, that labor may be lightly burdened by taxation.
